

The GOBI 360 degree Panoramic Head from Bushman Panoramic is a strong, durable and incredibly light head with great design, that has a complete pocket sized foldable body.

It is intended for use with DSLRs and small lightweight cameras achieving standard panoramas, to multirow panoramas and complete spherical 360° x 180° photography. The GOBI works with the Bushman YETTI rotator - choose between 8, 12, 15, 18 or 24 clicks per 360 degree rotation.

Manufactured in aluminium with anodised finish the GOBI comes with a soft carry case.

Other Bushman products include:

Panoramic Heads -

KALAHARI & SANDBUG

Rotators -

YETTI & QUICK CLICK

Tripods -

AMARULA & EBEN

Poles -

SELFIE, MONOLITE & MONOPOLE
