

The SANDBUG from Bushman Panoramic is the smallest spherical panoramic head in the world. Its unique smart foldable construction is designed for modern small lightweight mirrorless cameras.

Features include a built in quick release rotator, 4 integrated rail markers, compass, level and double sided interchangeable rings. An adaptor is available for other Bushman rotators.

Manufactured in aluminium alloy with anodised finish the SANDBUG comes with a soft carry case. It has a **complete foldable body** making it an exceptional panoramic head.

Other Bushman products include:

Panoramic Heads -

KALAHARI & GOBI

Rotators -

YETTI & QUICK CLICK

Tripods -

AMARULA & EBEN

Poles -

MONOLITE, MONOPOLE & SELFIE
